ONE DAY WORKSHOP ON 'Hardware and Networking'

Date : 13.2.2023

Objective

The primary objective of this workshop is to understand the parts of computers, how to connect the path of network system and provide the skills about its applications and uses.

Course Duration: one day

Resource Person: Mr.Sujith & Ms.Antonet Reeta

An one day workshop was organised by the CSE department on 13th February 2023. The program started at 1.30 p.m in the Bosch lab presence of department HOD , staffs and their teammates. The workshop was based on the topic of Hardware and networking system conducting by Ms.Antonet Reeta from NETWORK SYSTEMS, Nagercoil. The workshop resource person initially teach the parts of computers, given Hands on Training for Hardware in the systems. He handled the session from 2.30 pm to 3 pm about networking and gave demonstration for the same. Information was given regarding the RAM and its types, SMPS , API, components of motherboard. He also gave demonstration for assembling the optical cable (RJ45). There was a questioning session at the end of demonstration which was interactive and informative to the students.

Number of students attended: 108

ONE DAY WORKSHOP ON 'python Programming'

Date : 14.2.2023

Objective:

The primary objective of this workshop is to promoting the awareness and skills about python programming and its applications.

Course Duration: one day

Resource Person:Mr. Anto

An one day workshop was organised by the CSE department on 14th February 2023.The program started at 10.00 a.m in the Bosch lab presence of department HOD , staffs and their teammates. The workshop was based on the topic of basic and advanced of python programming conducting by Mr.Anto from founder of Galaxy Academy, Marthandam. The workshop resource person initially focused on introduction to python, its features and applications. The students got a chance to learn python datatypes, operators, Control structures, functions, modules, packages etc. The workshop participants turned out to be a major successful event, imparting lot of knowledge about python programming and how to solve simple programs with python programming.

Report on Yoga & Meditation 2022-2023

Date: 21.06.2023

In our institution, the students are encouraged to practice yoga and to do meditation, as it will help them combat with different types of stress. The practice of Yoga stimulates the process of unity of mind, body and soul. Yoga is useful in maintaining physical and mental energy and meditation leads to spiritual peace.

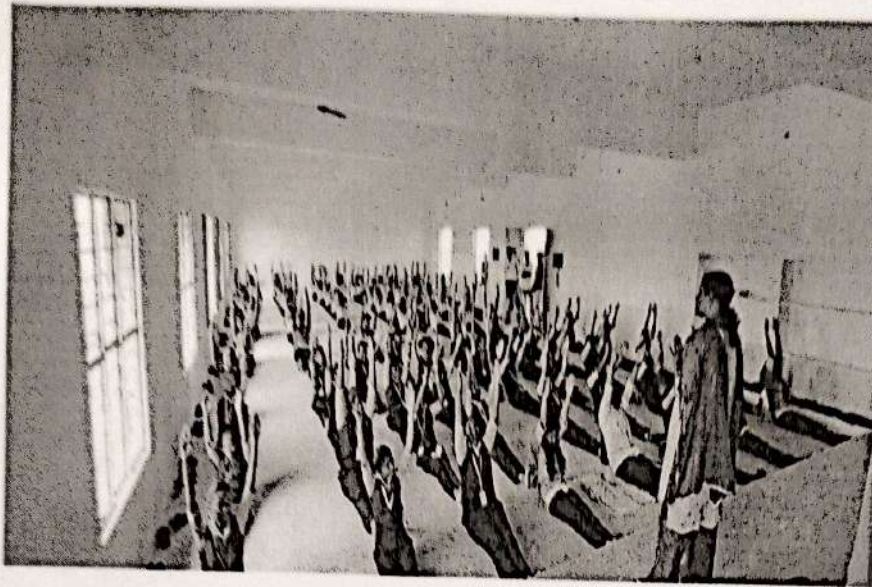

The academic year began with the celebration of the "INTERNATIONAL YOGA DAY" on the 21st of June 2023, in which around 139 students and 30 staff members attended the program. The External Trainers Mr. Arun Selvarajan and Mrs. Kalai Manikavel, professional Trainers from Nagercoil regularly visit our campus to provide training on Yoga and Meditation for our students.

The hostellers are insisted to practice yoga in the college premises on a daily basis, in the morning hours for boys and in the evening hours for girls, under the supervision of the staff in-charges. Yoga mats are provided to them by the college. Students assemble with high spirit of participation and learn the Asanas.

Yoga has helped the students in many aspects and visible changes in their behavior and attitude have been observed. Yoga helps them in being disciplined and physically fit. Apart from regular in-house classes, external yoga trainers are invited every year to train our students.

Meditation gives students a peaceful mind to think, be creative and productive. Yoga practice aids in having a balanced lifestyle with the ability to manage stress caused due to many factors. It has been noticed that yoga practice has improved positivity and nurtured healthy habits among the students.

Report Hygiene Program 2022-2023

Date:05.05.2023

Hygiene is a series of practices performed to preserve health. According to the World Health Organization (WHO), "Hygiene refers to conditions and practices that help to maintain health and prevent the spread of diseases." Personal hygiene refers to maintaining the body's cleanliness. Hygiene activities can be grouped in to the following: home and everyday hygiene, personal hygiene, medical hygiene, sleep hygiene and food hygiene. Home and every day hygiene includes hand washing, respiratory hygiene, food hygiene at home, hygiene in the kitchen, hygiene in the bathroom, laundry hygiene and medical hygiene at home.

Many people equate hygiene with 'cleanliness,' but hygiene is a broad term. It includes such personal habit choices as how frequently to take a shower or bath, wash hands, trim fingernails, and wash clothes. It also includes attention to keeping surfaces in the home and workplace clean, including bathroom facilities. Some regular hygiene practices may be considered good habits by the society, while the neglect of hygiene can be considered disgusting, disrespectful, or threatening.

REPORT
ORIENTATION PROGRAM 2021

The Department of Civil Engineering, Anna Vailankanni College of Engineering organized the Orientation program for lateral entry students (Batch 2020 - 2021) on 25- 08- 2021 at Bosch lab from 10.00 AM. The program started with the Tamil Thai Valthu, followed by the lighting of kuthuvilaku by our Principal Dr. A. Benham and all department HOD's. Mr. Lalu Gladson Robin, HOD/T&P welcomed the students and staff members. Principal Dr. A. Benham gave a detailed introduction about our college. Dr. Gaswin Kastro Vice-Principal, elaborated about Anna University Curriculum, Regulation and Exam pattern to the students. Dr. J. Sunil, Dean of Research/HOD/ME gave an introduction about ERP & Google Classroom platforms. In the program around 109 students and 2nd year class coordinators participated. Finally, the program ended with the National Anthem by 12.30 pm.

**A ONE DAY WORKSHOP ON 'INTERNET OF THINGS-
DO IT YOURSELF'**

The Department of Electronics and Communication Engineering organized a One-day Workshop on 'Internet of Things-Do it Yourself' on march 26, 2022. Mr. J. Jayakumar, HOD/ECE delivered the welcome address. Dr. A. Benham, Principal delivered the presidential address and motivated the students to do IOT based projects. Dr. K. Hariharan, Professor, Department of ECE, Thiyaragar College of Engineering, explained the concepts of IOT design for developing a Water Level Monitoring system. He also presented to our students how to perform data analysis in real time. Mr. J. Arockia Prince, AP/ECE delivered the Vote of Thanks.

The afternoon session is allotted for hands on training of IOT based projects. Students from ECE and CSE department participated with great enthusiasm and got trained in IOT concepts involving prototyping, programming, and data analysis.

REPORT

Webinar on "OPPORTUNITIES IN THE FIELD OF THE ARTIFICIAL INTELLIGENCE AND DATA SCIENCE"

The Department of Artificial Intelligence and Data Science, Annai Vailankanni College of Engineering, conducted A One Day Webinar on "Opportunities in the field of the Artificial Intelligence and Data Science" on 28th August, 2021 to create a platform to enhance the technical skills of the students on latest technology.

Dr. A. Benham, principal, AVCE inaugurated the webinar and also motivated the students with his speech and explained that these kinds of webinars are beneficial for their upcoming placements and technical knowledge. Mrs. M. Anugraha, HOD/CSE introduced the resource people Mr. Ananthram K Consultant, New Relic Inc. & Co-Founder, Parijatham. Mrs. S. Berlin Shaheema, Coordinator, HOD/AI&DS welcomed the gathering. The resource people discussed on the reason why AI/DS and why It is a hot topic right now. They also shed lights on the concept of Artificial Intelligence and its applications with real world examples. Around 150 students participated from our college. The valedictory function started with Ms Asia Juliet of III year/CSE and Mr Amal of II year AI&DS sharing their experiences of the one-day webinar and how they got benefitted. The programme concluded with the vote of thanks by Mrs. Anisha GnanaVincy, AP/CSE.

**Convenor
Mrs.S.Berlin Shaheema
HoD, AI&DS**

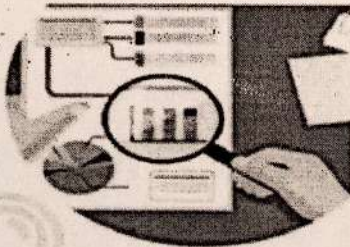

APPLICATIONS OF AI

- Self driving cars
- Siri / Ok-google
- Alexa / Google home
- Recommendation systems
- Image recognition
- Speech recognition
- Spam filtering

WHAT IS DATA SCIENCE?

- Data Driven Decision making
- Making sense out of data
- Finding hidden patterns in the data
- Analysis using not just machine learning models but also using data visualizations, intelligent reports
- Most of the techniques and tools seen in data analysis in early days are now falling under data science

webinar on 'INTRODUCTION OF GO-KART AND IT'S SUB SYSTEM'

The department of Mechanical Engineering organized a webinar on 'Introduction of Go-kart and it's Sub-Systems' in association with nexus motorsport, Pune on 3.3.2021 at Annai Vailankanni College of Engineering.

Objective

The primary objective of this webinar is to introduce the concepts of Go kart design for developing a safe and functional vehicle on rigid and torsion-free frame by students.

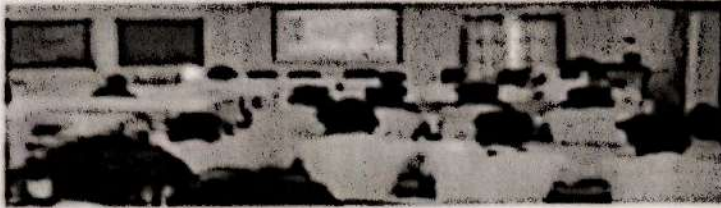

Resource Person: Mr. Azmat Hussain, Manager, Nexus Motorsport, Pune.

Course Contents

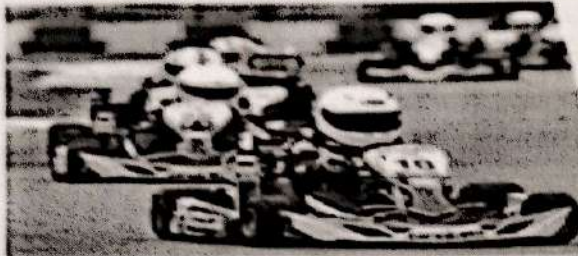

- Introduction of Go kart
- Information about Go kart Event
- Components and Basic theories of Steering
- Components and Basic theories of Brakes
- Components and Basic theories of Transmission
- Advantages of participating in Intercollegiate Event

Dr. J. Sunil, Dean (Research) & HOD/Mechanical delivered the welcome address. Dr. A. Benham, Principal delivered the presidential address and motivated the students to participate in many National level technical competitions. Mr. Azmat Hussain, Manager, Nexus Motorsport, Pune explained the concepts of Go kart design for developing a safe and functional vehicle on rigid and torsion-free frame and the advantages of participating in the Intercollegiate Events

REPORT

Opportunities and Challenges on Hydrogen energy and Fuel cell technologies-Webinar

Anna Vailankanni college of engineering hosted the national online webinar program on the 26th May 2020. Dr. Sterlin Leo Hudson, Director Research, AVCE chaired the session and shared his expertise in the webinar program.

Dr. Sterlin holds a post doctorate from NIST, Washington DC, USA and a Ph.d from Banaras University. His specialisation is in the field of Hydrogen Storage & Materials for sustainable technologies. He is a recipient of Fulbright scholarship and has been part of funded research projects at India and USA.

In this webinar, Dr. Sterlin outlines the current energy needs at a global perspective along with future trends and the energy sources utilised to meet the demand. Hydrogen as a energy source is explored in detail and various aspects of production, storage, emission and safety issues of Hydrogen is comprehensively explained. The utilisation of Hydrogen as a source to power automobiles is explored in detail with respect to mobility, safety and cost aspects. The seminar ends with overall summary of the topic and potential future applications. About 700 academicians across India and abroad participated in the Webinar.

DEPARTMENT OF PLACEMENT AND TRAINING

REPORT ON ONE WEEK TRAINING PROGRAM ON SOFTSKILLS

Department of Placement and Training of Annai Vailankanni College of Engineering organized a one week training program on Soft Skills for the eligible final year students of our college (from 04/02/2019 to 09/02/2019) in the college premises.

The organization offers courses, trains the educated youth of the stream and provides employment avenues in the organized sector. The Training spans over 30 hours is resourced by carefully selected team of faculty who have industry experience and expertise. Content is updated constantly to keep abreast of industry needs.

The training program has been split into two phases, Mr. Arul jose and Mr. Pon Nirmal are the trainers for Interview skills and Quantitative aptitude respectively. The program was coordinated by Mr. Karthick (Placement Officer).

PHASE I (COMMUNICATION SKILLS):

The topics covered as per the respective day are as follows.

Day 1:

- Communication skills..
- Leadership
- Problem solving.

Day 2:

- Teamwork.
- Reliability.
- Self management.

Day 3:

- Planning and organisation.
- Technology.

PHASE II (APTITUDE TRAINING):

The Quantitative Aptitude phase for three days (07/02/2019 to 09/02/2019) was conducted by Mr. Pon Nirmal

Report on Yoga & Meditation - 2018-2019

Date: 21.06.2018

In our institution, the students are encouraged to practice yoga and to do meditation, as it will help them combat with different types of stress. The practice of Yoga stimulates the process of unity of mind, body and soul. Yoga is useful in maintaining physical and mental energy and meditation leads to spiritual peace.

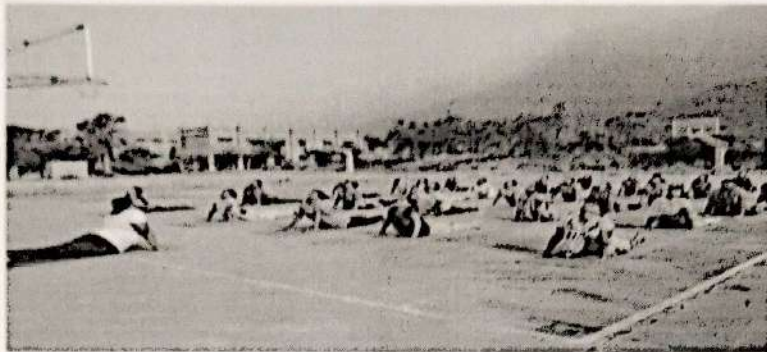

The academic year began with the celebration of the INTERNATIONAL YOGA DAY on the **21st of June 2018**, in which around **100 students** and **staff members** attended the program. The External Trainers Mr. Antony Dhas and Mrs. Mary kinos, professional Trainers from Nagerkovil regularly visit our campus to provide training on Yoga and Meditation for our students.

Day scholars are given Yoga classes once a month on a Saturday where they can learn and practice at home. The hostellers are insisted to practice yoga at the Edusat Hall in the college premises on a daily basis, in the morning hours for boys and in the evening hours for girls, under the supervision of the staff in-charges. Yoga mats are provided to them by the college. Students assemble with high spirit of participation and learn the Asanas.

Yoga has helped the students in many aspects and visible changes in their behavior and attitude have been observed. Yoga helps them in being disciplined and physically fit. Apart from regular in-house classes, external yoga trainers are invited every year to train our students.

Meditation gives students a peaceful mind to think, be creative and productive. Yoga practice aids in having a balanced lifestyle with the ability to manage stress caused due to many factors. It has been noticed that yoga practice has improved positivity and nurtured healthy habits among the students.

<i>Name of the programme/Activity: computing Skills/ "Adobe Photoshop"</i>	
<i>Date: 4/3/2019</i>	<i>Time: 10.30-12 p.m</i>
<i>Venue: Conference Hall</i>	<i>Total participants: 177</i>
<i>Name of the Resource Person:</i> Mr. Jerin,	<i>Designation:</i> Last Key Solution, Nagercoil
REPORT: The recent technology on "Adobe Photoshop (all Final Year Students)" by Mr. Jerin, Last Key Solution, Nagercoil, on 04/03/2019 at conference Hall. He tells the various advantages of adobe photoshop, it is mainly used to edit photos that would otherwise be difficult. It helps to change the skin tone, create a high resolution copy of the photo, adjusting brightness or removing a blur area in just a few clicks by using adobe Photoshop. At last this programme was wound up with vote of thanks.
