3.4.2- Awards and recognitions received for extension activities from government / government recognised bodies

Annai Vailankanni College of Engineering has been recognized for its commitment to sustainability and environmental responsibility by achieving a prestigious award in the Sustainable Institutions of India, Green Rankings 2023. The institution has been honored with an Institutional grade-A and has been categorized under Gold, reflecting its outstanding efforts in promoting sustainable practices.

1. Institutional Grade-A:

Achieving an Institutional grade-A signifies that Annai Vailankanni College of Engineering has excelled in integrating sustainable practices into its curriculum, infrastructure, and daily operations. This grade reflects the institution's strong commitment to environmental sustainability and its efforts to educate and engage students in sustainable practices.

2. Category - Gold:

Being categorized under Gold emphasizes the institution's exemplary performance and leadership in sustainable initiatives. This recognition highlights Annai Vailankanni College of Engineering's proactive approach in implementing innovative solutions, reducing environmental impact, and promoting sustainability across various facets of its institution.

Annai Vailankanni College of Engineering has been acknowledged for its efforts in promoting innovation, entrepreneurship, and start-ups on campus. The institution has been awarded 3.5 stars for its Institution Innovation Cell (IIC) during the calendar year 2021-22 by the Innovation Cell, Ministry of Education, Government of India. This recognition reflects the college's commitment to fostering a culture of innovation and supporting entrepreneurial endeavors among its students and faculty.

3.5 Stars Rating for IIC:

Annai Vailankanni College of Engineering's recognition with a 3.5 stars rating for its Institution Innovation Cell (IIC) signifies its commendable efforts and initiatives in promoting innovation and entrepreneurship on campus. This rating reflects the college's active engagement, effective

implementation of innovative programs, and support for start-ups and entrepreneurial ventures among students.

The Intellectual Property Rights (IPR) cell of Annai Vailankanni College of Engineering has demonstrated commendable innovation and research capabilities by submitting two patents in the year 2018. The inventions, namely the 'Solar Powered Tricycle' and the 'Coir Pith Drier', reflect the institution's commitment to sustainable technologies, eco-friendly solutions, and addressing real-world challenges through innovation. Notably, the Coir Pith Drier has been successfully granted a patent in the year 2023.

National Cadet Crops of Annai Vailankanni College of Engineering has received the 11th Battalion NCC award.

Annai Vailankanni College of Engineering has been acknowledged by the Collector office, Nagercoil for donating one lakh towards Kerala flood relief fund.

Dr. G.Kalivarathan, the Principal of Annai Vailankanni College of Engineering, has been honored and recognized for his significant contributions to the field of education. This prestigious award highlights Dr. Kalivarathan's dedication, leadership, and innovative approaches in advancing education and fostering academic excellence at Annai Vailankanni College of Engineering.

Mr. R. Robert, an Assistant Professor in the Department of Electronics and Communication Engineering at Annai Vailankanni College of Engineering, has been conferred with the prestigious 'Best Young Faculty Award' by Nobel Sansnow's Professional Foundation. This esteemed recognition underscores Mr. Robert's exceptional contributions, dedication, and innovative teaching methodologies in the field of Electronics and Communication Engineering
