REPORT

AIDS AWARENESS PROGRAMME

World AIDS Day was celebrated at AVCE College, under the guidance of YRC unit along with NSS team. The theme of this year is "End Inequalities". The session started with a welcome address by Mrs. Morin.

Our Principal Dr. J. A. Alex Rajju Balan remarked that AIDS day is observed every year on December 1, which is an opportunity for the community to unite in the fight against HIV aids, to show supports for those who have been diagnosed and to remember those who have been lost to the disease.

Dr. Brindan, the chief guest of the session, emphasized the young learners about AIDS – its causes, impact and evils. "The immune system of the person suffering from the disease gets damaged and also reduces the disease fighting ability of the body. There is no cure for HIV infection. However, with increasing access to effective HIV prevention, diagnosis, treatment and care, HIV infection has become a manageable chronic health condition, enabling people living with HIV to lead long and healthy lives".

An awareness seminar on the theme of AIDS was conducted for students in which informative talk related to the specified themes was delivered to students.

The AIDS Awareness Programme session ends with a vote of thanks by Mr. Prabu AP/MECH. Around 5 staff members and 60 students attended the seminar. At the end, students pledged to remain away from this disease and follow all the useful instruction.

REPORT ON TREE PLANTATION.

"If you cut a tree, you kill a life. If you save a tree, you save a life. If you plant a tree, you plant a life." This concept was put into practice by AVCE volunteers by planting many saplings in the college campus. The program was declared open by Dr. Chellakumar Rose, Correspondent of AVCE, after a short speech on the importance of planting trees on 22/02/2018.

The saplings were supplied by the district administration. Saplings of Banyan, name ebony, gulmohar were planted and properly fenced. The volunteers were interested to take care of the saplings and to water them daily.

The NSS programme officer organized the program very effectively and our Principal & Vice Principal of the college along with their physical director extended full cooperation and the program was a great success.

Kerala flood relief fund collection

Heavy rains and the subsequent flooding in Kerala have wreaked havoc in several parts of the state. As houses have been completely waterlogged and destroyed, many have become homeless and taken refuge in relief camps. Several people have even been marooned in their own houses, without food, water, electricity and other basic supplies.

The NSS (National Service Scheme) and other volunteers of AVCE started special campaigns on 01-09-2018 in all platforms to encourage people to donate for the flood relief measures. We received good support from people of Kanyakumari district, as a result of which we were able to donate Rs. 1 Lakh to our District Collector Mr. Prashant M Wadnere, IAS for the flood relief measures on 04-09-2018. Our District collector congratulated our efforts and we also received a thank you letter from the Chief minister of Kerala office.

Following this, our students and Staff members have also come forward to donate additional funds and collect supplies such as water cans, rice, Noodles, Mosquito coils, Toothbrush, Toothpastes, Sarees, kids wear, Pants, Shirts, Towels, Soap, Chappals, candles and sanitary napkins.

I would like to thank our chairmen sir, Correspondent sir, Principal, Vice Principal, College Student representatives and all NSS volunteers in this initiative.

Certificate Of Appreciation

It is my great pleasure and privilege to extend my appreciation to the National Cadet Corps (NCC) and its cadets who have enthusiastically participated in association with Kanniyakumari District Police in various duties related to containment of COVID-19 and enforcement of lockdown.

Kanniyakumari District is performing very well in the prevention and containment of COVID-19 and your contribution in ensuring maintenance of social distancing norms at public places like markets, bazaars, shops, banks etc and strict enforcement of lockdown regulations has immensely helped in achieving this daunting task. It was heartening to see the young boys in uniform actively performing the tasks in public places which was a cause for admiration by the general public.

I take this opportunity to convey my thanks for your service to the society. And also I extend my best wishes and I pray to the almighty that you excel in all your future endeavors and bring pride to your parents and to the nation.

Best Wishes

REPORT
5 DAYS NCC CAMP

Annai Vailankanni College of Engineering is fortunate to conduct a five day training program in its campus from 18-01-2021 to 22-01-2021 NCC cadets from Vivekananda college of Arts and Science and Annai Vailankanni College of Engineering participated in the program. Altogether 22 men cadets and 30 women cadets utilized this five day training program. On this program the NCC cadets were given training on drill, Weapon usage and map reading. This training program includes drill class and weapon class too. Three officers from 11 battalion of Nagercoil motivated the cadets to become a part of defense sector when chance comes. Lieutenant .Jegathesan of Annai Vailankanni College of Engineering organized the program and conducted successfully with the cooperation and support of the Chairman, Principal, Vice-principal and Director & staff members of Annai Vailankanni College of Engineering, Azhagappapuram

5 DAYS ATC CAMP

This camp is a compulsory camp conducted for all the cadets every year. These camps are held within the state under the aegis of respective NCC Directorates. The duration of this camp is usually held for 10 days. But the pandemic situation only five days are conducted. The main focus of this camp is to develop personality development and get a glimpse of military camp.

Five days ATC camp was conducted by 11 T N BN Nagercoil in Noorul Islam Higher Education at Kumarakovil from 24-2-2022 to 28-2-2022. Nearly 388 cadets are participated in this program on behalf of Annai Vailankanni college of Engineering 9 SD cadets and 1 ANO were attended.

The camps were conducted under proper precaution where all the cadets report to the camp at early morning and went back home in the evening continuing the same process for five days. In these five days we had different sessions like map reading, weapon training, drill practice, drill competitions, health and hygiene. Our day usually start with a warm up then drill practice for an hour then comes breakfast and continue with class session where groups were divided from different colleges. We usually have tea break in between our classes and as we continue our day with lunch, we end up our day with a combined drill class. During this camp we were taught how to endure, be positive, bearing, uprightness and work in unity. On the first day we had our map reading class where we taught about the directions, contours and teaching how handle the compass, defining the parts of liquid prismatic compass etc. On the second day we were taught about weapon training like defining the parts of 0.22 Rifle and teaching us how to load and unload the rifle as well the position of firing. On the last day we were taught about health and hygiene on what precaution to take when an injury happens, discussion about various types of common disease etc.

Report on Beach Cleaning

Beach cleaning project was organized by the NCC cadets and students of Annai Vailankanni College of Engineering. It was held on 27th September 2018, starting at Kanyakumari and terminating at Kovalam. This project received a good response from all participants. The objective of this project was to beautify the beach as well as to attract the local and foreign tourists to visit it. By this means we could contribute to our country by volunteering to clean and beautify the beach.

This project was started at 9:00 AM, Mr. Prwyn Jeba, Assistant professor, AVCE gave a short briefing on how to clean the beach and few other matters. After briefing all participants started cleaning the beach. At the end the waste collected from coastal area was handed over to kanyakumari town panchayat, finally the coastal people thanked and appreciated the initiative of the Annai vailankanni Engineering College.
