EVENT REPORT

Career Guidance and Personality development program

DATE: 25/08/2018

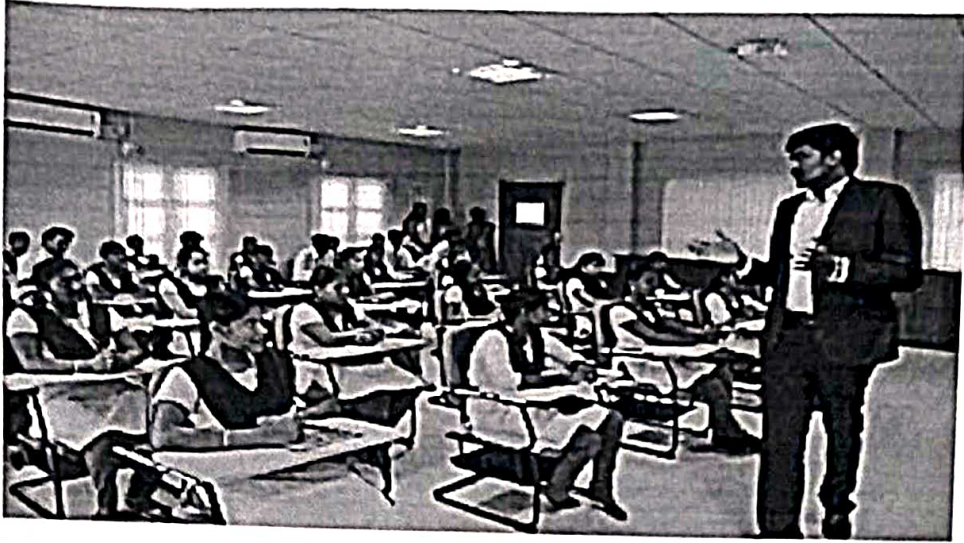

VENUE: BOSCH LAB

The department of Computer Science & Engineering organized a guest lecture for the students of CSE and ECE. The guest speaker was **Mr. Michael Packiyaraj**, Sr Associate L2 (Tech Lead) Sapient Technologies, Bangalore. He has around 10 years of industry experience. He delivered a lecture on Career Guidance and personality development.

The lecture covered the areas including personality development, interview skills and current trends in IT. In personality development he explained the students how to be bold, patient, curious and honest. All the qualities were explained with real time examples. While talking about interview skills he started from very basic of preparing a resume. He asked the students to research the industry and company to know more about the field and current updates. The students were given idea on what to talk in interview and what not to talk. He insisted the students to reply only for the questions asked by the interviewer. He explained the students how to behave and convince the people. He explained the importance of attitude.

The current trends in the IT field were discussed. He asked the students to develop them self in the current technological areas like web front end development, Mobile web application, cloud computing, Agile technology, Mobile applications and data analytics.

He asked the students to discover their passion and never give up in their dreams. The session was very interesting and interactive with real life examples. The students got a clear idea in interview skills, personality development and current trends. He appreciated the students in their technological ideas and asked the students to overcome their inferiority complex to come forward to express their ideas and grab the available golden opportunities. The department of Computer Science & Engineering extends their warm and heartfelt thanks to Mr. A. Raja Winston, AP, AVCE for making the event possible.

LEGAL AWARENESS PROGRAM

The Department of Science and Humanities organized a Legal Awareness program for the first-year students at our college on **October 29, 2021**. The program coordinator Mrs. Shijula Lindry AP/Chemistry delivered the welcome address. Dr. A. Benham, Principal presided over the meeting and delivered the presidential address. He insisted on the importance of creating legal awareness and vigilance awareness among the students. Er. David Philip Daniel, Director explained the aim and importance of vigilance and anti-corruption and the need to have consumer awareness among the students. Dr. Anila Rose, HOD/S&H introduced the Resource Person Adv. Sahila Kumari of Nagercoil District Court, who deals with civil, criminal and consumer cases. She delivered a speech on consumer awareness and the importance of vigilance and anti-corruption in a democratic country like ours. She touched the topic of human rights and domestic violence too in her address. Then, the program was followed with an interacting session.

The students eagerly participated in the interaction, frankly, raised so many questions and the resource Person clarified all their doubts with the real examples she faced in her career. The Convener of the program Dr. Golding Sheeba AP/Physics proposed the vote of thanks, and the program came to an end with our National Anthem. All the first-year students and the members of the staff participated in this program and the students felt that it was very useful to them.

Er. Dheebin, Founder & MD of Kumari Shopy, was invited to the programme as a resource person. He was a 24-year-old young entrepreneur who founded his e-commerce company Kumari Shopy during his final semester of studies on February 14th, 2019. It has inspired our students to pursue their dreams of becoming entrepreneurs.

The following is a welcome poster that was designed and is displayed at the college's front portico to greet our visitors. The guests were greeted warmly and then led to the Principal's office for high tea and discussion. Following a brief discussion, the guests were directed to the BOSCH training room to start the awareness programme.
