- The maintenance is usually carried out by in house maintenance staff. In case, out sourcing is essential the institute's policy for engaging outside vender is to be followed.
- Disposing off policy: When equipment is no longer useful and it is needed to be discarded. The administration should appoint a committee, which is different from maintenance committee, to validate the need for discarding. The committee decides the way they should be disposed.

MAINTENANCE POLICY	Policy No. : 0A/2024 Issue No. : 01 Date : 10/7/2024.
Frequency/ Next Revision	5 years/ Academic Year:

Objectives:

The main objective of the maintenance is to optimize asset efficiency and reliability through proactive strategies and efficient processes in order to control costs, ensure equipment availability and boost overall productivity. This policy provides the guidelines for the teachers and others on maintenance of the facilities of the college.

Scope:

Annai Vailankanni College of Engineering values its each asset and takes every step to make them functional and useful. The college administration and College Maintenance Committee (CMC) should take necessary initiative and steps in this regard. The budgetary provision should be made for maintenance work.

The College Maintenance Committee should develop scheme of activities and methods of maintaining CMC maintenance documentation. The CMC is not only responsible for maintenance of permanent infrastructure but for overall ambience of the college.

In general maintenance works in academia area: class rooms, laboratories, furniture, should maintain during holidays so that there will be minimal disturbances to academic activities. ICT and internet facility including WI-FI should be periodically checked. The maintenance of such facilities is also covered under IT policy.

Guidelines:

Administrative Action

Constitution of College Maintenance Committee (CMC): The administration constitutes the CMC with a responsibility of maintaining the infrastructure and other facilities. The committee may consist of the following member's responsibilities:

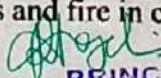

Manager – Convener

HOD Civil - Buildings and other civil infrastructure maintenance in charge

HOD MECH – Machineries and its maintenance

HOD ECE – Electrical systems including air conditioning systems and fire in charge
