One of our Alumni Mr. Shijo John J.S. from the department of Electronics and Communication Engineering of our college has presented a technical session on assembling a Drone for our final year students. The technical session was held on 11/7/2018 in the simulation lab. The session also had a demo on assembling a drone involving the students.

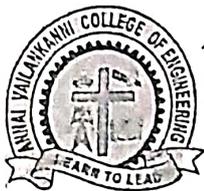

Technical Interaction session by Alumni

Mr. Shijo John J.S., alumni from the department of Electronics and Communication of our college has presented a technical session on "Assembling a Drone-" for our present pre-final and final year students. About 10 students from final year and 6 students from third year have attended the session.

The technical session is held on 11/7/2018 in the simulation lab from 2.00pm to 3.45 pm. The interaction session is highly useful to the students motivating them in the right path. The session also had a demo on Drone involving the students. This technical session has kindled our students to do projects related to concepts of Drone.

Our College is the place where I upgraded myself. I started focusing on my communication and listening skill etc. I would like to remember and mention my faculties and who allowed me to explore , make mistakes and learn from mistakes I also thank my friends and staffs who tuned my life and have given me happy and memorable college days .

“My college is the place where I used to spend most of my time.

Myself Sneha ,Alumni of Annai Vailankanni College of Engineering from Computer science and Engineering Department of 2022 .Currently I work in FIVE STAR business Finance Ltd, Vilavancode, kanniyakumari .For the successful career beginning ,a lot of credit goes back to the time ,that I’ve spend as on college life. Here you don’t study the subject, you’ll learn a lot outside of what’s there in the syllabus. Their focus is always on overall development of the student by encouraging them in seminars, personality development sessions and interaction with corporate by industrial and lot many cultural events and sporting activities ,that bring the best out of you. I always encourage you to make use of your faculties and don’t ever forget to enjoy your precious time.
